## TO AN EXCEPTIONAL 2016!

### Note from the Director

"The difference between ordinary and extraordinary is that little extra."

- Jimmy Johnson.

At TPHS we're determined to make 2016 extraordinary. We also encourage our students not to settle for second best when it comes to preparing for their futures. To our industry partners, parents, sponsors and alumni: may you have that little extra to give this year!

We are confident that the TPHS experience prepares our students to become outstanding leaders who are engaged locally, nationally and globally. Grounded in our 10 year progressive history, our mission and vision has evolved to create opportunities for students to apply in and out of classroom learning.

We wish our students much success as they fulfil their career goals and learn more about themselves and their place in the world.

### Welcome and orientation

We officially welcomed our new students on 11 January. Chef Michael Broughton from Terroir and Mr Gallo Shanker, General Manager of the Cape Royale Hotel, shared their experiences with students and their parents. The students spent the week exploring Stellenbosch and surrounds, getting to know each other and the TPHS team.

### Academic achievements celebrated

We started the new semester by giving recognition to our top academic achievers of the previous semester. Congratulations to the following students.

**Semester 1:** Taunnee Fourie (84%), Julia Moths (79%), Melanie Nel (79%) and Marc Blihnaut (75%).

**Semester 2:** Robin Bolten (85%), Samantha Lind (83%) and Amy Capsopoulos (81%). **Semester 3:** Anna Turnbull (86%), Kerry Lachenicht (82%) and Meagan Ferreira (75%). The top achieving student for Service Management was Taunnee Fourie with 85%.
