Culinary Adventures

"A career in the hospitality industry is an adventure in itself," says Susina Jooste, director of TPHS. "Through the Culinary Adventures we aim to give learners who express an interest in this demanding and fast-paced industry a truthful, yet encouraging overview." Recently Hendrina High School from Mpumalanga visited TPHS. Highlights included a visit to the Waterfront, Hermanus, Truth Coffee and the Ice Cream Lab. The learners indicated that hospitality is a "funky" industry to work in and that they definitely would like to pursue a career in the industry.

Event in aid of **CANCER SUPPORT**

TPHS recently participated in the annual Rooi Rose KANSA Tea event held in Stellenbosch. Our events manager had a field day with the table decorations which had to adhere to the theme of recycling and sustainability. Events Management forms part of TPHS curriculum and aims to prepare students for the wide spectrum of hospitality-related events, including cultural, sporting, political and fundraising occasions.

TPHS welcomes Carima

As TPHS says farewell to Merwede Van Tonder, we welcome Carima van den Berg as the new Administrative Coordinator. Carima will use her human resources background and experience to streamline our administration and student registration processes. "My first impression of TPHS was of the high level of professionalism of the staff and students. They made me feel welcome and part of the team right from the start," says Carima. We wish her all the success in her new role with TPHS.
