The audited list of qualifications and other programmes offered by your institution, that you sent to SAQA, has been checked against the information on the National Learners' Records Database (NLRD) to confirm in which sub-framework each registered qualification belongs.

The attached report gives the information in this regard which is required by the Department of Higher Education and Training.

If you have any queries regarding the information in the attached report please feel free to contact me.

Yours sincerely,

Dr Jody P. Cedras
